

## Key Information

BTEC Art and Design can help you take your first steps towards a career in the visual arts.

You'll learn essential skills such as following briefs, meeting client needs and communicating ideas through art, design and discussion.

Students will learn to:

- Use specialist materials, techniques, equipment and processes in response to client briefs / record formal elements within specialist pathways.
- Develop creative ideas, skills and intentions in response to a project brief and produce final outcomes that meet the requirements of the brief.
- Explore 2D & 3D visual language and working practices
- Investigate how artists, crafts people and designers communicate in 2D & 3D

Communicate ideas using 2D & 3D knowledge and skills in response to a brief.

### To achieve a L2, I must:

The assessment for the BTEC Art & Design consists of 2 types of assessment:

**Internal assessment** – portfolio of evidence.

- This will be graded by centre staff and externally moderated by External Moderator
- Produce high quality products using a variety of skills.
- Successfully produce a portfolio of evidence – this is generated appropriately for each unit.

**External assessment** – external assessment paper.

This will be graded by External Moderator. Learners must be successful in **both** types of assessment to achieve the qualification.

*Learners must achieve a minimum of a Pass in all assessment criteria to achieve a unit, this applies to both internal and external assessments. Learners must achieve a minimum of a Pass in all units to meet the minimum requirements of the qualification. If a grade of 'Not Yet Achieved' is awarded for one or more units, a grade of 'Not Yet Achieved' will be awarded for the overall qualification.*

### Units, weightings and deadlines:

**This qualification consists of:**

**Unit 1** Introduction to Specialist Pathways in Art and Design (Internal)

**Unit 2** Creative Project in Art and Design (External)

**Unit 3** Communicating Ideas in 2D (Internal)

**Unit 4** Communicating Ideas in 3D (Internal)
