

## Year 7 Computing – Secret Agent

These are key units that require teaching. There are links to year 8 teaching units, so will need completing in their entirety.

The 'begin' a scheme is the minimum expectation for progress with a class. If a scheme has been completed and summative assessments carried out, then flexibility exists in the scheme for the class to progress at their own speed, depending on class ability.

| Term   | Week 1   | Week 2   | Week 3 | Week 4   | Week 5   | Week 6 | Week 7 | Week 8 |
|--|--|--|--------|--|--|--------|--------|--------|
| 1<br>1st Sep – 24 <sup>th</sup> Oct<br>(8 weeks)             | Expectations, seating plans, folders, login and passwords, familiarisation with Eduschemes software. | Start "Secret Agent" scheme.<br><br>Begin 'Organising' scheme.<br><br>Complete lesson 1, lesson 2 and lesson 8 |        |  | Assessment point.  |        |        |        |
| 2<br>3rd Nov – 19 <sup>th</sup> Dec<br>(7 weeks)             | Continue "Secret Agent" scheme.<br><br>Begin "Communication" scheme                                  |  |        |  | Portfolio/student assessments. Teacher and students summative assessments to take place. |        |        |        |
| 3<br>5 <sup>th</sup> Jan – 13 <sup>th</sup> Feb<br>(6 weeks) | Continue "Communication" scheme.   |  |        | Portfolio/student assessments. Teacher and students summative assessments to take place. |  |        |        |        |
| 4<br>23rd Feb – 27 <sup>th</sup> March<br>(5 weeks)          | Continue "Secret Agent" scheme.<br><br>Begin "Visual Programming" scheme                             |  |        |  |  |        |        |        |
| 5<br>13th Apr – 22nd May<br>(6 weeks)                        | Continue "Visual Programming" scheme.  |  |        |  |  |        |        |        |
| 6<br>1 <sup>st</sup> June – 17th July<br>(7 weeks)           | Continue "Secret Agent" scheme.<br><br>Begin "Modelling" scheme                                      |  |        |  |  |        |        |        |

**Note: There is an extension project which should be tackled as soon as the key units are completed above, see eduschemes year 7, “ Modelling” scheme.**

**Key Principles:**

LTP relates to Eduschemes teaching resources.

Teacher login Username “staff” – Password “&pda73” – School= “wfa”.

In addition, subscription has also been paid to teach-ict for the use of all resources. Login details are username=nn33ez, password=we5ton

**Homework**

This is include as part of the Eduschemes resources and should be set whenever it appears. This should be marked according to the school’s marking and assessment policy.

**Assessments**

Progress checks            T2, T3 and T5
