June 2018

Dear Parents and Carers,

It gives me great pleasure to inform you that following our recent Ofsted inspection Weston Favell Academy is no longer in special measures.

We are delighted that the hard work that has gone on across the Academy has been recognised. Our students, the senior leadership team, our brilliant staff and the wider school community, including our supportive parents, have all contributed so much to achieve this outcome.

The report recognises our dedication to improvement with staff commended for “greater consistency” and “better-quality leadership and teaching”. Ofsted also noted that attendance is much improved.

Other highlights from the report include:

- “Students’ achievement is improving across year groups”, including for GCSEs
- “Safeguarding leaders provide well-targeted pastoral care to ensure that pupils are safe and know how to keep themselves safe.”
- The principal and senior leaders have a precise understanding of the quality of the school’s provision. They are ambitious to secure further improvement.”

We are working hard to make further improvements and it is my goal to achieve a ‘Good’ rating when Ofsted return in two years’ time. School improvement does not happen overnight, but today’s report confirms that we are moving in such a positive direction.

Thank you for your ongoing support.

Warm regards,

Lorna Leventhal
Principal
