Dear Parent/Carer

Year 7 End of Year Assessments and Activities

In the final term of Year 7, subjects will be conducting assessments to review the progress your child has made this academic year. The assessment outcomes will be used to form the teaching and learning in Year 8. The English assessment will take place on **Friday 6 July** (2 hours approx.) in the sports hall. All other subject assessments will take place in the classroom and subject teachers will inform students when these are.

Students will have been directed to revision resources by their teachers. These, as well as Show My Homework, should be used by students to best prepare for these important assessments.

Below are some useful websites for Maths revision:

An exciting new venture is launching during the next academic year, we will be inviting the 30 highest scoring students in each year group to form part of a stretch and challenge cohort. This will enable them access to additional careers guidance, tailored support and further exciting opportunities designed to ensure they fulfil their potential and can explore areas that are of specific interest to them. Whilst other students will be invited to specific events based on the recommendations of teachers, enabling our most able students to achieve their potential is of great importance.

Lastly, on the penultimate day of term, 19 July, we will be finishing lessons at 11 am and students will be able to enjoy the annual WFA Festival: a range of fun activities organised by staff on the day. These include the opportunity to 'spend' their Purple Points allocations to purchase items from a BBQ and ice cream van, as well as various other activities and sporting events. This, and the final day of term, Friday 20 July, will be non-uniform days. While students can pay for Thursday's activities with their Purple Points, participation in Friday's non-uniform day will be for a donation, with proceeds going towards our chosen charity. Students will be dismissed from the Academy from 12.20pm onwards of the last day of term.

Should you have any questions about the subject assessments please do not hesitate to get in touch with your child's subject teacher in the first instance.

For questions regarding the activities on 19 & 20 July, please contact Ms Kelly or myself sedwards@westonfavellacademy.org .

Yours sincerely

Shanika Edwards
Director of Transition & Head of Year 7
