How will I be assessed?

This term the focus is AO1 and AO3.

AO1: How well you can recall facts and demonstrate knowledge and understanding of the key features and characteristics of the periods studied?

AO3: You will look at historical documents and be assessed on how well you can understand what they say and their message. You will be assessed on how well you can explain if they are useful or reliable and why some sources might be more useful than others.

In class you will be expected to answer two 'How Useful' questions with a focus on these topics
