

In Year 9 you started to learn about **Medicine in Britain from the year 1250**. You learnt about key developments up until around the Year 1700 and this year we will continue this part of the course.

**What is the big historical question we will be answering this term?**

How rapid was the development of medicine in the Industrial Period (1700-1900)?

**How will I be assessed?**

This term the focus is AO1 and AO2.

AO1: How well you can recall facts and demonstrate knowledge and understanding of the key features and characteristics of the periods studied?

AO2: Explaining similarity, difference, change, continuity, causation and consequence.

You will be expected to answer the 16 mark questions below in class with historical facts and details. You could challenge yourself by presenting an argument.

**Louis Pasteur's publication of the Germ Theory was the biggest turning point in medicine in the period c1700-c1900'. How far do you agree with this statement? (16)**

**'Simpson's use of chloroform as an anaesthetic was a major breakthrough in surgery during the period 1700-1900'. How far do you agree? Explain your answer (16)**

You will have 3 x 10 question in class knowledge tests throughout the term. Your first one will be in week 1 or 2 of term and will be a check up of everything you remember from Medicine in Medieval and Renaissance times.

**How can I prepare for my assessments?** Ask your teacher for a 'how to revise history information sheet.

**Know It, Grasp It, Think It Sheets** – Create your own revision resources using these key questions for guidance.

**Knowledge Organisers** – These have the key terms and definitions for all aspects of each unit.

**Revision Cards** – Use the Knowledge Organisers to create revision cards on key individuals, causes, events and consequences involved in all the key topics

**GCSEPod** – Go to [www.gcsepod.com](http://www.gcsepod.com) and listen to the c1700-1900 Medicine in 18<sup>th</sup> & 19<sup>th</sup> Century Britain podcasts.

**Quiz** – Create your own quizzes and test your friends.

**I want to get ahead! What will I learn next term?**

You will learn about key medical developments during the Modern era. Use the next Knowledge Organiser and GCSEPod or BBC Bitesize to add to the details about the key words and events.
