Dear Parents and Carers

Donation of Pre-Loved Trainers and Football Boots

At Weston Favell Academy, we are committed to ensuring that all students can fully participate in our physical education lessons, enrichment activities and inter-form competitions.

We are writing to ask for your support with a small but valuable request. We are currently seeking donations of **pre-loved trainers or football boots** that are no longer required at home. These items would be made available to students who may need temporary or longer-term support with sports footwear, helping to ensure that no student feels unable to take part.

Any donated footwear should be:

- Clean and in good, wearable condition
- Suitable for secondary-age students
- Clearly bagged and, if possible, labelled with the size

Donations can be brought to the **school reception** and handed in during the school day. We will ensure all items are respectfully stored and distributed when needed.

We appreciate that not all families will be in a position to donate, and there is absolutely no expectation to do so. However, any contributions would be greatly appreciated and will help us continue to support our students in a practical and inclusive way.

Thank you for your continued support of Weston Favell Academy and for helping us ensure that all students have equal access to opportunities within school life.

If you have any questions about this initiative, please do not hesitate to contact the school.

Yours sincerely

Mr C Harrison
Head of Sport

'Be Inspired'
