

## ***2025 WFA Sixth Form Headlines ...***

**If you are able to follow a Level 3 course, which requires five GCSE passes at Grade 5 or above, then you have a great deal of choice in Weston Favell Academy Sixth Form.**

### ***WFA students meet and exceed their targets; teachers really know you as an individual***

Our 2025 Key Stage 5 results confirm our strong academic performance, seen in the outstanding student outcomes below. Our students make excellent progress, exceeding targets, whether entry is with an average GCSE grade of 7+, or 5+.

### ***Independent reports state that inspirational teaching happens here, generally in small classes***

You can be confident about the quality of academic outcomes. In 2025, one of our highest performing Y13 students achieved a complete set of A\* grades in English Language, Maths, Psychology and EPQ. A further student who joined us from another local school, achieved grades A\* in Psychology, an A in English Literature and a B in History. From an achievement of an average grade 5 at GCSE, our student achieved Distinction\* grades in Sports and Business with an additional A in Finance. Over our whole cohort, we have positive valued added scores, that means our students make significant progress from GCSE compared to expected national measures.

### ***Y13 students' progression is consistently 'Outstanding': H.E. expertise is second to none***

Consistently over 80% of our students will progress to a range of excellent university courses across the UK. In 2025 that has included: Psychology and Linguistics (Oxford University); Mechanical Engineering (Warwick University); Law (Birmingham University); Archaeology (Exeter University); Accounting and Finance (Liverpool University) and Computer Science (Keele University). In 2025, over 83% of our students had their places confirmed by their university of choice, evidence of dedicated individual guidance.

### ***Our students are supported in applications to highly competitive apprenticeships***

This has included Management Graduate Apprenticeship with DHL, a Higher Apprenticeship with Barclaycard, an Apprenticeship as a Trainee Pharmacy Technician locally at NGH and a Media apprenticeship with ITV in London.

### ***WFA Sixth Form is student-focused, inclusive and democratic***

Our 'Focus Groups' encourage and enable students to reflect on their experiences and help shape future developments on a wide range of issues including: academic review; rewards; charity and dress codes. We engage and listen but also act!

### ***WFA Sixth Form is a strong and caring community***

Our annual Community Christmas Party for over 80 local 'Seniors' is student-organised in partnership with local Rotary and Charities. Our unique balance of Pastoral support and expertise, is tailored to your personal needs and aspirations. Bursary funding is available to students whose family income is less than £30 000. You will have free fruit and water daily.

### ***WFA Sixth Form is outward-looking***

We engage with the best of business and university practices. 'Dress-down Friday' is here and we have core focuses on 'Equality, Diversity and Inclusion' with a strong commitment to neurodiverse students and in supporting 'Student Well-Being' for all.

***Leadership and Enrichment opportunities*** include trips to New York and Iceland and participation in national academic conferences alongside mentoring, cookery lessons, student leadership, chess competitions, and so much more.

***If you have questions about WFA Sixth Form and what we offer do come and speak to us.***

***Check our Sixth Form videos on the WFA website and contact Mrs Mann, Director of Sixth Form***

## Sixth Form courses in 2026-2028

When choosing your Sixth Form courses, it is really important that you look at the full course details in our 2026-8 Course Guide, which is also on our website, and use the student written 'Alternative Prospectus'. Below are details of subject specific entry requirements which indicate what you should have achieved from your KS4 final results in August 2026.

- All students study three full courses and are given personal guidance to ensure appropriateness
- If narrowly missed, students are supported to secure Grade 5 in English Language and Maths
- Following guidance to provide added value, EPQ/ Core Maths are options
- A seminar and extended programme for all includes Post-18 Guidance and Support; Study Skills; Critical Thinking and MOOCs.

**The minimum entry requirement for Level 3 study at WFA is 5 x GCSE Grade 5 passes, including English Language and Maths. Below are subject specific requirements:**
