Dear Parent/Carer

Re: Year 6 Transition to Weston Favell Academy

I am delighted to welcome you and your child to Weston Favell Academy as part of our new year 7 group, and I wanted to write to you about transition arrangements for this year.

We are in unusual and challenging times and I know you and your child might be feeling especially nervous about the transition process. In order to follow the government's guidelines on social distancing, we have understandably had to adjust our arrangements for supporting this year's transition. However, we hope the remote activities that have been planned will help put you and your child at ease and get them feeling as excited as we are for the new school year. Full details of transition activities will appear on the Academy website in due course in a dedicated transition section.

We are communicating with feeder primary schools about transition arrangements and we await the government's final decision as to whether your child will be returning on 1 June. This will allow us to make firm choices about the next steps of transition.

We are here to support you every step of the way, and if you have any concerns or questions, please do not hesitate to contact us by email on admin@westonfavellacademy.org

Until then, on behalf of everyone at Weston Favell Academy, I wish you and your family good health during these challenging times.

Best wishes & kind regards.

Shanika Edwards
Director of Transition & Head of Year 7
