

Advice to All Parents - Single case – November 2020

Dear Parents/Carers,

We have been advised by Public Health England that there has been a confirmed case of COVID-19 within the school.

We know that you may find this concerning, but we are continuing to monitor the situation and are working closely with Public Health England. This letter is to inform you of the current situation and provide advice on how to support your child. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The children who have been in direct contact with the confirmed case will have received an individual letter and will be staying at home for 14 days.

This is a precautionary measure which allows us to continue to deliver a full education to the majority of students at the academy. Your child should continue to attend if they remain well.

As ever, we must all remain vigilant to the symptoms of Coronavirus. If anyone develops symptoms tests can be arranged via www.nhs.uk/ask-for-a-coronavirus-test or by calling 119.

We want to assure you that we will continue to work with Public Health England to ensure that risk is minimised.

Yours sincerely

Mrs K Murphy
Deputy Principal.
