My Year Ahead Task

- Start by writing your name
- Complete the task in a clockwise manner
- The last thing to complete is your portrait – Give it your best shot
- Think carefully about your targets. You have a year to achieve them so make it challenging but achievable
- Students can share their work with their Form Tutors in September

'Be inspired'

Finally...

- Talk to your parents/guardians/siblings about your targets
- Pin it on a wall/fridge – a place you can see it to remind you of your targets
- Keep working towards your targets everyday and you will achieve them
