Dear Parent / Carer,

As the official end of the year approaches, I wanted to take a moment to acknowledge how hard year 11 worked up till their term was cut short this year. Having been their Key Stage Director for the past 3 years I am extremely proud of what they achieved and what wonderful young adults I have watched them grow to be, I was truly saddened that we could not give them the send-off they deserved. However we do hope to make it up to them.

Results Day - Thursday 20th August.

As you know, centre assessed grades have already been submitted, but both you and staff are waiting to see the 'calculated grades' awarded by the Exam Boards. I can now share the arrangements for Results Day, which due to the current situation have had to be revised in line with Government guidelines. We will be allocating time slots for collection based on form groups, this allows us to minimise the number of students on site at any given time. The table below indicates the time slot allocated to each form group, therefore it is imperative this is adhered to, to ensure the correct results envelopes are available.

Key staff will also be there, available for one-to-one personal discussions, and to support you as needed. However all arrangements will be in accordance with the necessary social distancing measures. Both Mrs Whelan and Mrs Mann will be available for Sixth Form conversations and Nikki Corben from Prospects will also be there. I will be on hand as well and hope to see as many of you as possible at the times below.

Please note that should a student not to come in for results on the 20th August that no third-party collections will be allowed at this time. Any results that are not collected on the day will be posted out in the afternoon. Results will also be emailed to the students school email addresses at noon. Please ensure they can access their account as they will not be sent to parents. Any email issues please contact Mrs Brewill on rbrewill@westonfavellacademy.org

Uniform

Should you have any uniform that is still in good condition that could be donated to the school store we would really appreciate it, this includes ties, jumpers, PE kit and any black trousers. A large box will be provided on the day for students to drop any donations in. In return you will receive a voucher for an ice cream.

Hoodies & School photos

All hoodies and school photos that were ordered will be available to collect on results day. Again, you must collect these in person, you will not be allowed to collect anyone else's.

Prom

We are still looking to hold a Prom when the time is safe to do so, so that we are able to celebrate the end of this chapter. Plans are currently being drawn up for this to be held at a later date, no idea when but we are determined it will happen! We have asked you to complete a form to register interest, if you have NOT done this, please click [here to](#) let us know if you would be interested in attending a prom.

Future plans

If your child has applied for Weston Favell Sixth Form, they should have received confirmation from Mrs Mann and also received the bridging work, this is vital work to be completed over the summer.

If they have not received bridging work or are considering a late application to the Sixth form please contact Mrs Mann: Lmann@westonfavellacademy.org .

Please can you ask your son/daughter to complete the form in this link ([click here](#)). This will give us vital information of where they are heading after Year 11, we have to report on all student destinations as a legal requirement, so would very much appreciate this being completed by the end of July.

If they are unsure of their destination point after results day, we will have career guidance available on the day or please contact Nikki our careers advisor at nikki.corben@prospects.co.uk

If you have any concerns, or need to update us, please do get in touch with your Form Tutor, Miss Howes or myself. I will say now, for the Summer: stay well, keep safe and enjoy your summer.

All the best

Miss Kyle

Director of Key Stage 4
