Dear Parents and Carers

Exciting sponsorship opportunity

We are excited to share that our football team at Weston Favell Academy has an increasing number of opportunities to represent the school in competitive fixtures and special events over the coming season. This includes the incredible experience of playing on the pitch at Sixfields Stadium, giving our pupils the chance to showcase their talent on a professional stage.

To help the team look their best and create a real sense of pride and identity, we are seeking sponsorship for a new set of football kits.

If you own a business, work for a company that may be interested, or know of an organisation that would like to support our pupils, we would love to hear from you. Sponsorship could include having your company logo displayed on the team kit, subject to approval.

Please note that all prospective sponsors and company branding will be reviewed by the Trust to ensure they meet the necessary eligibility and safeguarding requirements before any agreement is finalised.

Your support would make a meaningful difference to our pupils and help provide them with opportunities to compete and represent Weston Favell Academy with pride.

If you would like to discuss sponsorship or express an interest, please contact the school for further information.

Thank you for your continued support.

Yours sincerely

**Mr C Harrison
Head of Sport**
