## **Welcome to D&T's Dream BiG Challenge.**

The challenge is an opportunity for our students and members of their family to work together.

There are **Three Categories** :

- 1. Family Bake Off** - Open to all students in **years 7, 8, 9 and 10 Students**
- 2. Design & Make Challenges** :
  - Game Machine - Open to all students in **Year 7 and 8 D&T Students**
  - Prototype Furniture - Open to **Year 9 D&T students**
- 3. Creative Media** - Open to all **year 9 and 10 Creative Media Students**

Full details are on the following pages, with additional resources uploaded on TEAMS.

For each Category the winner will receive a **Creative Pack Prize**

The Ultimate Prize Winner will be chosen from each of these, to be crowned Our Dream BiG Winner 2020.

**The Deadline for submitting your entry will be 12 pm Saturday 30th May 2020.**

**Send your work to your D&T teacher via TEAMS, Email or Tweet @westonfavellGAT #wfadreambigchallenge**

**Winners will be announced on the 3rd June 2020.  
Good luck and start dreaming BiG !!!**

# Design & Make Challenges

## Year 7 & 8 | Game Machine

**Design and make a family game which could entertain you and your family during the lockdown period.** (board/ marble run/pinball/)

You could include people too, famous or important to you.  
Decide who the game will be used by.

Use any material, for example; recycled plastic and card, wood, fabric, virtual (programming or app based)

You are allowed to get help with the making.

The game can be any size, to be used indoors or outdoors.

## Year 9 | Prototype Furniture

**Design and make a prototype of a space saving multi-functional furniture.**

Your design idea must be creative and unusual  
The prototype must be fully functional  
You can use any material of your choice for the prototype  
You can enlist the help of others at home to produce an awarding winning design!

# Family Bake-Off

**Year 7, 8, 9 & 10**

The pandemic is causing disruptions to our daily routine, but one can say it make families stay closer together.

Waste products in the Food Industry has decline massively.

Some basic ingredients are hard to source.

Your challenge is to use what you have in your home and ingredients that are readily available to make your masterpiece.

Photograph or video your Family Bake Off, and tweet @westonfavellGAT #wfadreambigchallenge or send via teams to your D&T Teacher.

# Creative Media Challenges

## Year 9 & 10 | Film Short

The film can be around 3 to 5 minutes long.

The challenge is to plan and produce **one** of the following :

1. It can be a video diary about how you are coping with the lockdown. This can be done using POV shots and edited as a montage, for example.
2. It can be an 'advert' on a solution to the Corona virus Pandemic. For example, You have discovered a new medicine or method to stop it and are now going to promote it in the ad, or film it in the method of an interview.
3. It can be a short story of how the pandemic has affected people.

You can do this by filming another person in the family, or yourself. (documentary style)

Plan with a storyboard  
Shoot in landscape (16:9) Mode  
Take inspiration from the professionals
