Dear Parents and Carers,

I hope you are well and looking forward to the weekend ahead.

I wanted to take the opportunity to thank you for your support this week. It is by coming together as a community that we can provide the best possible education for our young people and ensure we have a school environment where every child can thrive.

Following the incident on Wednesday, and after enacting our robust Academy procedures, we are pleased to share that the atmosphere in school has been calm and purposeful with learning continuing as normal over the last few days. We are also continuing to assist the police with their enquiry.

The health, safety and wellbeing of our pupils, staff and families remains of utmost importance to us and we will continue to uphold the highest standards of behaviour and conduct. Please rest assured that on conclusion of the police enquiry, appropriate action and sanctions will be taken by the Academy. We will also continue to provide support and pastoral care to those who were affected.

As a reminder, if you have any information that you would like to share with the Academy, this can be done through our safeguarding email box: safeguarding@westonfavellacademy.org. Any information received will be treated in the strictest confidence. If you do have any questions, please do not hesitate to get in touch with me directly or the admin team and we will do our best to let you know what we can.

We look forward to welcoming everyone back to school on Monday as normal. Thank you again for your support and I hope you have a good weekend.

Yours faithfully,

Todd Johnson
Senior Executive Principal
