Dear Parent/Carer,

I wanted to write to you to thank you for your understanding and support as we continue to navigate these unprecedented times.

The health and safety of your children remains my highest priority and whilst the rotation of year groups working remotely is seemingly endless, it is due to the high staff absence levels meaning there is an inability to safely staff the school site when all children are here. I have explored every possible option to keep the school open fully however even supply agencies are struggling to meet the demands of schools at present.

The decision to have a year group on remote learning is not one I take lightly however whilst the cases remain high and staff are unable to be in the building, I have to act in the interest of pupil safety. I would like to remind you that even during the periods of remote learning, the school continues to operate a provision on site. Should you require a place for your child, please let us know, we are more than happy to accommodate them.

I truly hope that we will be able to return to normal education very soon.

Yours sincerely,

**Todd Johnson**  
**Principal**
