Dear Parent or Carer,

Year 6 Transition Summer School

PET-Xi Training Ltd is delighted to have been invited by Weston Favell Academy to deliver our innovative, intensive Summer School Programme, this will run from Wednesday 4th August to Friday 6th August, from 9am – 3pm daily.

The 3-day programme will be motivational and fast-paced, focusing on topics identified by the school to help students reach their full potential. The programme is entitled “Epic Summer 2021” and will allow your child an opportunity to practise their English and Maths skills as well as have a chance to acclimatise themselves with the school building and to make new friends with pupils from other primary schools before the term starts. The programme is delivered in an a truly interactive format, with the pupils given an opportunity to engage in a fun and interesting way.

The programme will be delivered by experienced subject experts working in partnership with our enthusiastic, inspirational and dynamic trainers. There will also be peer mentors on hand, specialising in Maths and English, to help and support the students through the programme. In addition, the deputy Head of Year 7, Miss Howes, will also be supporting.

The motivational lead trainer will keep the pace fast, focused and highly structured, whilst the subject experts will ensure that the content is explained thoroughly and comprehensively, using relevant examples to aid understanding. The role of the peer mentors is to ensure that no student is left behind, providing individual support wherever necessary to ensure the group works at the same pace.
