

Dear Parent / Carer,

On Tuesday 31<sup>st</sup> January all pupils from year 7-10 will be taking part in a 'Building Futures day'. All pupils will be off timetable and participating in careers related activities to give them an insight into the world of work and help them to develop key employability skills.

**Year 7- Let's Pitch It Day** - Pupils will be taking part in workshops and the day will be run by Baasit Siddiqui from Channel 4's Gogglebox.

**Year 8- Skills Development Day** - Pupils will be participating in three workshops led by different employers. They will be able to ask them questions about their role and will be set a work-based task to help develop key employability skills.

**Year 9- HE day at the University of Northampton** - Pupils will be going to University of Northampton in the school day where they will take part in workshops to get an insight in university life. **Please provide packed lunch for your child** (no fizzy drinks) unless they are entitled to free school meals where a grab bag will be provided from the canteen before pupils leave.

**Year 10- Northampton Town Football Club Career's day** - For half of the day pupils will be going to Northampton Town Football Club where they will be taking part in workshops within different departments to see how the club is run. They will also have a Q&A with players and a stadium tour.

Staff will be travelling with pupils on external trips. Please ensure that your son/daughter has the **correct WFA uniform** on.

This is an excellent opportunity for all pupils and we hope that they thoroughly enjoy this experience.

Many thanks for your support.

Kind regards  
Mrs Ryder Wolf
