

Dear Parent/Carer,

### **Careers Education at Weston Favell Academy– Year 10 Work Experience**

We are writing to inform you that Work Experience will be taking place for all Year 10 students between the 20th and 24th May 2024. This is a fantastic opportunity for your child to gain valuable experience in the workplace, and all students are expected to take part.

Work experience is an excellent way for students to explore potential career paths and get a feel for what working life is like in their chosen field, understanding more about routes to employment and talking to industry experts. For students that are still unsure about what career, industry or role interests them, the process of finding and completing a placement allows them to develop transferable skills and competencies that will serve them well throughout their lives.

We encourage all students to take an active role in finding a placement, but we understand that this can be a daunting task. We are here to support your child in their search for a placement and can provide guidance and advice on the best way to approach potential employers.

Please find links to the forms that need to be completed prior to this.
