Dear Parents and Carers,

We are delighted to share with you the wonderful news that Weston Favell Academy has recently undergone an Ofsted inspection and has achieved a 'Good' grading in all judgement areas. This accomplishment is a testament to the unwavering dedication and hard work of our entire school community.

Since our last full inspection in 2018 where we were graded as 'Requires Improvement', Weston Favell Academy has been on an extraordinary journey of improvement. Every member of our staff, every pupil, and every parent and carer has contributed to this journey.

Most importantly, it is not only inspectors that have witnessed the transformation. Ofsted observed that 'pupils recognise that the school has improved in recent years and are positive about the education they receive'.

Here are some key highlights from the inspection report:

- All pupils, including those with special educational needs and/or disabilities (SEND), benefit from a well-planned and ambitious curriculum.
- There are very high expectations for pupils' behaviour at the school. Pupils respond well.
- All pupils learn a broad range of subjects in key stage 3 that meet the requirements of the national curriculum. At key stage 4, pupils choose from a wide range of academic and vocational courses.
- Specialist staff have good subject knowledge. They use this to explain concepts clearly and design tasks that support pupils to gain knowledge and practise skills.
- Pupils with SEND, and those who speak English as an additional language, access the same curriculum as their peers. The school identifies when pupils need extra support effectively.
- The school has been well supported by Greenwood Academies Trust to improve all areas of the school's provision in recent years.

When you have time, I do encourage you to read the report in full.

Thank you for your ongoing support and partnership in our journey of continuous improvement. Your support plays a pivotal role in the success of our pupils, and we look forward to continuing to work together to provide the best possible education for every child at Weston Favell Academy.

Yours sincerely,

Todd Johnson
Senior Executive Principal
