

Building a 'Portfolio of Experience'

Taking best professional practices, from the world of work, into Sixth Form

Presenting the skills you need to continually show and develop: initiative and independence

WHAT?

A dedicated week, July 1-5 2019, to build and develop your 'Portfolio of experience' beyond school, in the work place

Work shadowing

Experiences leading to internships and mentoring

WHY?

Develop a growth mind-set

Ask questions of yourself and others in the workplace through meaningful encounters

Support emerging career and study plans

Reflections which support your 'Portfolio of Experience'

It works!

WHO?

All Year 12 students

Supported by:

- **Mrs Fosbrook, all administration and tracking and helpful insights and trouble shooting**
- **All in Sixth Form Team, Form Tutors, Teachers etc**
- **All developing networks**

HOW?

A Portfolio of Experience Handbook: next week giving all you need to be resilient and independent

Combined Form Tutor spaces: IT access daily from Monday

Developing professional skills and qualities

**Start reviewing and
developing career and study
ideas immediately:**

Professional skills and mind-set

Do be open -

don't be cynical.

Do be proactive -

don't be negative.

Do be professional -

don't be careless.

**Do be supportive of others because
we are a community of role models -**

whether we like it or not!
