

### **Weston Favell Academy celebrates A-Level success**

As young people across the country receive their A-Level grades, pupils at Weston Favell Academy, located on Booth Lane South and sponsored by Greenwood Academies Trust, are celebrating as they achieve a brilliant set of results.

Despite the disruptions to classroom learning caused by the pandemic, the Academy's quick adaption to home learning and hard work from pupils has ensured a fantastic year of results. Pupils are now excited to progress onto their next steps, including universities, apprenticeships and employment.

Some individual successes include:

- Ashton White: A\* in biology, A\* in psychology and A\* in drama. Ashton he will be studying psychology at Nottingham University.

This year, due to the Covid-19 pandemic, the Government decided that pupils' grades would be based on work they had produced throughout their course and final grades would be moderated and assessed by external exam boards.

#### **Todd Johnson, Principal at Weston Favell Academy, said:**

*"We are thrilled for our pupils as they receive their well-earned A-Level results. While they have faced many challenges over the last two years due to the pandemic, they have remained committed to their studies and continued to make progress. Today is a result of all that hard work and it is amazing to see their perseverance rewarded."*

*"We are now excited to see them take their next steps into higher education, employment or apprenticeships and look forward to watching them achieve their potential."*

*"I would also like to take this opportunity to extend my thanks to everyone who has supported our pupils and the Academy during these unprecedented times, it has been hugely appreciated."*
