Wellbeing Ambassador

# Wellbeing Ambassadors

At WFA, we want to build on our respectful and supportive community. We want to hear pupils voices in how we can improve wellbeing in school and to give pupils the opportunity to support their peers. Wellbeing ambassadors will be involved in reducing barriers that may cause stress to pupils, teaching peers how to manage stress, tackle the negative stigma of mental health and add to positive community.

Anti-Bullying Ambassador

# Anti-Bullying Ambassadors

As an Anti-Bullying Ambassador, you will play a crucial role in creating a safe and supportive environment for all pupils. We are looking for empathetic and proactive individuals who are passionate about promoting kindness and respect in our school community. You will provide support to your peers, raise awareness about bullying and help prevent harmful behaviours within the school.

Eco Ambassador Application

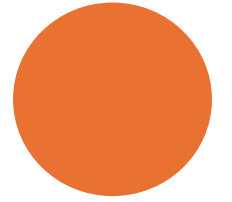

# Eco Ambassadors

We are looking for passionate and environmentally-conscious pupils to become Eco Ambassadors. As Eco Ambassador, you will inspire positive changes and raise awareness about sustainability and environmental responsibility to the school community. Ambassadors will need to be willing to attend meetings, listen to feedback from their peers and have conversations with staff about how we can improve sustainability in our community.
